Follow these steps to get an estimate!

Step1: Locate a pencil, measuring tape & ruler.

Step2: Using the space below, roughly draw the shape of your countertop space.

Step3: Using your tape measure, measure in inches the dimensions of all the countertop space you would like surfaced with stone. Put the measurements on your rough drawing as you go. **Please indicate the approximate location of any required cut-outs for undermount, or drop-in sinks drop-in cooktops, etc.** (See page 2 for example.) **If you would like a backsplash, please indicate where you would like it by drawing a dotted line along that length of the countertop.**

Step4: For an ESTIMATE, bring your drawing into Jones Stone and they will be happy to quote your project. **The final purchase price of your countertop will be determined after a complete on-site measurement of your countertop space.**
